Dancing with the tiger : learning sustainability step by ...

The authors compare this process to 'dancing with a tiger', hence the title. The tiger takes many forms, for example the intensely competitive business environment many companies find themselves in. They give case studies of companies they have worked with as 'sustainability consultants', including Nike and Starbucks.

Fiction Book Review: Dancing with the Tiger by Lili Wright ...

Indeed, Dancing with the Tiger is a splendid reminder that throughout human history, cultures have revered masks: masks are as universal as our desire to transform ourselves, to change. Anna, without an ounce of self-pity despite traumatic losses, stands out as a heroine for our times as she finds the courage to show her true face."
