The Women's Liberation Movement brought together thousands of activists who worked for women's rights. Several significant feminist protests in the United States during the 1960s and 1970s helped further the cause and pave the way for women and girls in the following decades.

Feminist Protests — 1960s and 1970s Activist Movements

The resurgence of feminism across the United States during the 1960s ushered in a series of changes to the status quo that continue to have an impact decades after the women's movement. Feminists inspired unprecedented changes in the fabric of our society that had far-reaching economic, political, and cultural consequences.

Feminist activists have established a range of feminist businesses, including women's bookstores, feminist credit unions, feminist presses, feminist mail-order catalogs, and feminist restaurants. These businesses flourished as part of the second and third-waves of feminism in the 1970s, 1980s, and 1990s.

Feminism - Wikipedia

The reason behind these tensions is clear. Women activists and human rights defenders have no freedom of action in China. It was on 7 March 2015 that the face of Chinese feminism changed forever. That day, a group of feminist activists, later known as the Feminist Five, were arrested for demonstrating against sexual harassment.
