DirectMount - Pacbrake

While the factory Ford engines can nickel-and-dime owners to death, swapping in a Cummins isn't exactly a cheap proposition either. Donor engines are \$5,000 and up, and transmission cores are usually close to a \$1,000. Every once in a while, a dirt-cheap engine and transmission can be found (fire damaged items are a good start), but again, Scott warns "Buy the most complete, best package ..."
