Arline Brecher (Author of Forty Something Forever)

Forever 21, the California retailer that helped popularize fast fashion in the United States with its bustling stores and \$5 tops, said on Sunday night that it would file for bankruptcy, a sign of ...

Forever 21 Bankruptcy Signals a Shift in Consumer Tastes

...
Before introducing a planned obsolescence, the producer has to know that the consumer is at least somewhat likely to buy a replacement from them (see brand loyalty). In these cases of planned obsolescence, there is an information asymmetry between the producer, who knows how long the product was designed to last, and the consumer, who does not.

Planned obsolescence - Wikipedia

Consumer Trust. Absent consistent ... 71% say if they perceive that a brand is putting profit over people, they will lose trust in that brand forever ... Amazon stock is up 40% from mid-March.

Customer Experience Mindset In A Post COVID-19 World: An ...

Also, realizing the increasing influence of mobile, the Forever 21 brand also has a mobile application which consumers can make purchases from, and rate the brand's clothing on a scale of "I like it" to "Not my style" - this allows the team behind apparel design to understand consumers' ever-changing tastes and preferences, especially in the volatile world of retail fast fashion.

Forever 21 - Fast Fashion Retail Brand With An Edge ...

Nuances in the shopping environment have a big effect on the consumer's goals and mindset. Consumer psychologists have long known that our goals influence how we make decisions, and it's estimated that up to 40% of consumers change their minds at the point of purchase because of something they see, learn or do.
