Scene of the Cybercrime: Computer Forensics Handbook ...

Publisher Summary. This chapter takes a look at all the people on the scene of the cybercrime. The roles of both cybercriminals and cybervictims are examined and how they interact—sometimes in ways that mirror the “realworld” criminal-victim relationship and sometimes in ways that are quite different—is explored.

Cybercrime is not just about computers. It is also about people. Understanding cybercrime is the first step in combating it. Understanding the people on the scene of the cybercrime—those who commit it, those who are injured by it, and those who work to stop it—is the first step toward understanding cybercrime.
