Auto to Manual swap. Chevy Truck Forum | Silverado Sierra GMC Truck Forums. Auto to Manual swap. Jul 04 2012 ... is swapping in a manual transmission. This was the first vehicle I ever bought new and will keep it for many many years. I just ... I would look into something such as a 6.0 swap before a manual swap, and it's probably more easily done.

### SilveradoSierra.com • Auto to Manual swap : Transmission ...

Since cars with a manual transmission are more fun, we make parts to convert cars from automatic to manual. We also swap engines, always for more power and usually for more modern technology. We obsess over the smallest details and the highest praise we can receive is that our products and cars we build look and feel as if they came this way from the factory.
