Math programs 2A-6B. (Due to the simplicity of the math, lower levels have no guide.) The guides bridge the gap between textbook and workbook.

Homeschool Math Curriculum | Homeschool Math Programs

Current reading education relies on methods that do not work for children on the spectrum with the result that the majority never gain the ability to read with fluency or understanding. However, the innovative content and methods of ASD Reading enable the children to achieve success - even when they are non-verbal (i.e., non-speaking).
